

# SWITCH TO A DUAL LIFE

Get ready to embrace new adventures in the all-new hybrid breed. Wherever your travels take you, it empowers you to overcome all challenges with ease and redefines what you can do. With a perfect blend of superior fuel efficiency, incredible driving distance, immediate acceleration and dynamic handling, BYD SONG PLUS DM-i takes your hybrid vehicle experiences to a new height.

4.5L/100km Fuel Consumption (NEDC)

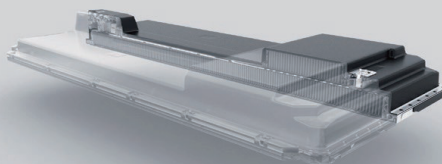

Revolutionary Electric Hybrid System (EHS)

8.3s 0 - 100km/h Acceleration

PM2.5 Air Purification System

Ultra-safe Hybrid Blade Battery

Dipilot-driving Assistance System

Notice  
Specs updated: Dec. 2023  
① Actual range will vary depending upon driving/charging habits, speed, conditions, weather, temperature, and battery age. The battery capacity is initial capacity. It will decrease with time and use. The battery age and outside ambient temperature both play a role in charging times.  
② The above specifications are for the standard vehicle. It is subject to regional needs and regulations. Some vehicles shown include optional equipment that may not be available in all the regions. All technical specifications subject to change without notice. Visit BYD dealer for more details.  
③ BYD reminds you to wear seatbelts, secure children in the rear seat, obey all traffic laws and drive responsibly.
